FUEL-RELATED INCREASE

All freight charges for transportation will be subject to the fuel surcharge stated below, unless abrogated by a contract between any customer and CXI. All rate quotes obtained online from CXI's website are subject to fuel surcharge notwithstanding failure by the customer requesting the online quote to request inclusion of the FSC. The level of the fuel surcharge is adjusted each Wednesday based on the U. S. National Average Diesel Fuel Index published on the prior Monday. That index, which is published by the Energy Information Administration of the U. S. Department of Energy, is available by telephone at (202) 586-6966, and on their U. S. Department of Energy Internet site.
